Who We are: *The Alliance of Florida Contractors (AFC) is a not for profit Florida corporation which was created by a group of Florida Contractors that have joined together to represent the best interests of the aluminum and specialty construction industry by working together.*

Purpose: *The Alliance of Florida Contractors (AFC) is an independent not for profit professional association whose purpose is to advocate issues and conduct activities on behalf of its members. We are committed to working to accomplish things that benefit the majority of our members and the industry.*

Mission: *The mission is to provide a forum for the exchange of information and development of resources to advance and improve education, reference standards, codes and regulations that relate to the aluminum and specialty construction industry.*

Our Pledge: *We pledge to always work for the betterment of the whole of our industry and to avoid at all costs becoming a social group that is influenced by the financial motives of a few.*

The Building Code Action Fund - "BCAF": *was established by The Alliance of Florida Contractors (AFC) for the purpose of funding the efforts to serve the best interests of the aluminum construction industry in matters regarding code and engineering.*
